Harbinger Interactive Learning Featured in The Top eLearning Gamification Companies 2019 List

Harbinger listed as one of the top gamification providers, in a global listing curated by eLearning Industry

Harbinger Interactive Learning, a leader in innovative and custom learning solutions, gets featured in eLearning Industry's Top eLearning Gamification Companies 2019 List. The announcement was made on September 23, 2019. The complete list of winners is available here https://elearningindustry.com/top-elearning-gamification-companies.

As community leaders, eLearning Industry, has evaluated hundreds of eLearning content development companies in the past. For this list, eLearning providers were evaluated on the following 7 criteria:

- Gamification eLearning quality
- Customer reviews
- eLearning expertise
- Niche specialization of gamification
- Gamification industry innovation
- Social responsibility
- Gamification features and capabilities

Harbinger's win is a testimony to the world-class gamification solutions that we build. Here's what makes our gamification solutions stand out:

- Harbinger understands gamification best practices and is adept at effectively using game mechanics for the win. Excitement, persistence, goal orientation, and competition are essential parts of our gamification strategy.
- Our gamification experiences ensure higher engagement, better retention, and improved performance; for both learners and the business.
- Our gamification solutions are designed in a way that the learnings are easy to apply on the job and directly impact learner behavior.

Poonam Jaypuriya, Vice President – eLearning, Harbinger Interactive Learning, is delighted with the announcement. She said, "This seems to be a year of recognition and rewards for us. After winning 4 Brandon Hall Group awards, we now make it to eLearning Industry's gamification companies list. Gamification is our forte. We believe that by gamifying real-life scenarios that employees face in their day-to-day jobs results in improved engagement and higher retention of learning. This is a well-deserved win for us. Looking forward to more such victories".
