

PRESS RELEASE

Harbinger Interactive Learning is among the fastest-growing technology companies in Deloitte Technology Fast 50 India 2019

Pune, 05 December – Harbinger Interactive Learning, a global leader in eLearning services, today announced that it was featured on the Deloitte Technology Fast 50 India 2019, a ranking of the 50 fastest-growing technology companies in India. Rankings were based on percentage revenue growth over the three years.

“We are proud and excited to receive this prestigious award as it strengthens our vision of ‘Transforming lives at every workplace’. A special thanks to all our customers without whom this achievement wouldn’t have been possible. The award reinforces our expertise to provide technological capabilities and innovative solutions to our clients.” said **Poonam Jaypuriya, Vice President – eLearning, Harbinger**

“Making the Deloitte Technology Fast 50 India ranking is a testament to a company’s commitment to technology,” Rajiv Sundar, Program Director - Technology Fast 50 India 2019 and Partner, Deloitte India said. *“With its growth rate over three years, Harbinger Group has proven that its leadership has the vision, determination, and ability to adapt and grow in a fast-changing environment,”* he added.

Deloitte Technology Fast 50 India program selection and qualifications

The Deloitte Technology Fast 50 India program, which was launched in 2005, is conducted by Deloitte Touché Tohmatsu India LLP (DTTILLP), and is part of a truly integrated Asia Pacific program recognising the India’s fastest-growing and most dynamic technology businesses (public and private) and includes all areas of technology - from internet to biotechnology, from medical and scientific to computers/hardware. The program recognises the fastest-growing technology companies in India based on their percentage revenue growth over the past three financial years.

About Deloitte

All the facts and figures that talk to our size and diversity and years of experiences, as notable and important as they may be, are secondary to the truest measure of Deloitte: the impact we make in the world.

So, when people ask, “what’s different about Deloitte?” the answer resides in the many specific examples of where we have helped Deloitte member firm clients, our people, and sections of society to achieve remarkable goals, solve complex problems or make meaningful progress. Deeper still, it’s in the beliefs, behaviours and fundamental sense of purpose that underpin all that we do.

Deloitte Globally has grown in scale and diversity—more than 263,900 people in 150 countries, providing multidisciplinary services yet our shared culture remains the same.

About Harbinger Interactive Learning

Harbinger Interactive Learning is a leading global design and development company specializing in eLearning modernization, learning experience design, and custom eLearning solution development. Harbinger Interactive Learning has over 25 years of experience in building custom learning and has served a plethora of clients across multiple industry verticals.
