# **Harbinger Interactive Learning Announces Corporate Affiliate Partnership with IACET**

**Harbinger Interactive Learning, a leader in delivering custom learning solutions to top-notch companies across the globe, entered into a Corporate Affiliate Partnership with IACET, a non-profit organization dedicated to quality continuing education and training programs. The partnership will facilitate both in accomplishing their shared goal of improving the quality of continuing education and training worldwide through accreditation.**

**November 22, 2021**

Harbinger Interactive Learning, a leader in delivering custom learning solutions to top-notch companies across the globe, is pleased to announce its newest Corporate Affiliate Partnership with the International Accreditors for Continuing Education and Training (IACET), a non-profit organization dedicated to quality continuing education and training programs. As part of the partnership, Harbinger plans to align its offerings with the ANSI/IACET 2018-1 Continuing Education and Training Standard to work with IACET Accredited Providers and the industry at large.

The partnership will facilitate both in accomplishing their shared goal of improving the quality of continuing education and training worldwide through accreditation. Harbinger is excited about working with the new international partner to bring added value and opportunities for collaboration around the globe.

“Powered by people, skills, and technology Harbinger thrives on building impactful custom learning solutions and platforms”, stated Poonam Jaypuriya, Vice President – eLearning, Harbinger Interactive Learning. “Our strength and passion lie in addressing unique learning needs. We do this by blending creativity, innovation, and a cumulative experience of close to three decades. Our association with IACET will provide us a strategic opportunity to collaborate with a diverse contingent of continuing education and training professionals. I am confident that our design and development capabilities along with a deep understanding of learning will empower us to add value and provide effective solutions.”

“We are excited about Harbinger Group’s agreement to collaborate with IACET as a Corporate Affiliate. This is an incredible partnership, and I am looking forward to a long-standing relationship as we work in partnership to improve the lives of learners around the globe. Partnerships like these provide growth strategies to continuing education and training organizations. I am confident that our relationship with Harbinger Group will prove to be an invaluable resource to many of our

Accredited Providers and to training organizations seeking viable resources in providing learners with a greater learning experience.” said CasandraBlassingame, CEO of IACET.

### **About IACET**

The International Accreditors for Continuing Education and Training (IACET) is a non-profit organization dedicated to quality continuing education and training programs. IACET is the only standard-setting organization approved by the American National Standards Institute (ANSI) for continuing education and training. The ANSI/IACET Standard is the core of thousands of educational programs worldwide.

### **About Harbinger Interactive Learning**

Harbinger Interactive Learning is a global design and development company specializing in eLearning modernization and custom eLearning solution development. With over 25 years of experience in delivering innovative learning solutions for various verticals like publishing, life sciences, BFSI, retail, and high-tech, Harbinger makes use of a wide range of instructional approaches like microlearning, nudge-learning, gamification, interactive videos, ILT/vILT and more to build innovative, engaging, and effective learning content. Harbinger’s training programs are learner-centric and explicitly designed to improve employee performance and business outcomes. With a vision to "transform lives at every workplace," team Harbinger specializes in gamification, blended learning, mobile learning, visual design, instructor-led, competency-based learning, remote learning, nudge-based learning, AI chatbot-based learning, and digital learning solutions.
